## **A MESSAGE FROM YOUR LOCAL INTERGROUP**

Fellow AA's,

Greetings from the Intergroup Association of Fairfield County! We hope that this message finds you healthy, safe, and sober!

Intergroup is discussing the potential re-opening of our office located on 83 East Avenue in Norwalk. Re-opening will allow the opportunity for volunteers to resume filling telephone answering service shifts.

In keeping with AA's 6<sup>th</sup> and 10<sup>th</sup> traditions, we have no opinion on any issues outside of alcoholism and are not affiliated with any public body or government. However, our office operates in a place of business and as such will follow the guidelines provided by the state of Connecticut for businesses reopening in the wake of Covid-19.

Intergroup will provide additional guidelines for members who enter the office to pick up literature, fill phone shifts or any other reason. These guidelines and any updated information regarding the office and operations will also be posted on our website: IAFC-AA.ORG

We are tentatively planning to re-open on June 20<sup>th</sup>.

**This date is subject to change.**

Our responsibility is to AA groups. We ask that any local AA groups please reach out with questions, concerns or ideas as to what we can do to better serve you. While our 4<sup>th</sup> tradition reminds us that each group is autonomous, we ask that AA's please pass along any information regarding the office re-opening by referring to IAFC-AA.ORG, this letter, or any further correspondence from the Intergroup Board.

We are eager to get on with facilitating essential services for alcoholics in need and committed to doing so in the safest way possible.

In Love and Service,

The Intergroup Association of Fairfield County.
